

TOGETHER WITH REFUGEES

#whoweare

Pre-launch campaign rally 5pm on Thursday 6 May

Right now, it's within our power to give people the helping hand that we would hope for ourselves. We can build a kinder, more humane approach to supporting refugees.

We are part of a movement, across the UK which is calling for an approach that means:

- People can seek safety in the UK, no matter how they came here
- People can live in dignity while they wait to hear if they will be granted protection
- A fairer, faster and more efficient system to decide whether people will be granted protection

- Refugees and their local communities can build better futures together, with proper support for local councils to do this

If any of us feared for our lives or our loved ones, we'd want to know there are people out there who care. People who want to help. People like you.

Join us for a rally ahead of the campaign launch as we call for a kinder, more compassionate approach to refugees and hear from key speakers in our movement.

It's who we are.**
